WHY KGARE INSURANCE BROKERS?

- We understand that each customer is different. We do not do generic products, but rather highly tailored cover
- As independent consultants, we press for your best possible deal, and stand up to protect what really matters to you
- The products we sell are just as important as the service we offer – you can leave it to us, to be right by your side when it comes to claim time
- As insurance experts, we have a substantial track record, the expertise and global network to ensure that you get the best-value coverage possible
- We specialise in both individual and business cover and are able to service you with a personal touch anywhere in Botswana
- As a standard, we provide risk assessments to companies as a value add
- We are a proudly Botswana company and are 100% citizen owned

“Clients have been leaving it to us, since 2000”
